

Aduna Individual Contributor License Agreement

Thank you for your interest in participating as a contributor in development of Aduna Guided Exploration Software (the "Aduna Software"), owned by Aduna.

In order to clarify the intellectual property license granted with contributions of software from any person or entity (the "Contributor"), Aduna must have a Contributor License Agreement ("CLA") on file that has been signed by each Contributor, indicating agreement to the license terms below. This license is for your protection as a Contributor of software to Aduna, as well as the protection of Aduna and users of the Aduna Software; it does not change your right to use your own contributions for any other purpose.

If you have not already done so, please complete this Agreement and send it by regular mail to Aduna, Prinses Julianaplein 14B, 3817 CS Amersfoort, The Netherlands, send it by facsimile to Aduna at +31-33-4751608, or scan and e-mail a copy to contributors@aduna-software.com. Please read this document carefully before signing and keep a copy for your records.

You accept and agree to the following terms and conditions for Your present and future Contributions submitted to Aduna.

Except for the license granted herein to Aduna and recipients of software distributed by Aduna, You reserve all right, title, and interest in and to Your Contributions.

1. Definitions.

"You" (or "Your") shall mean the copyright owner that is making this Agreement with Aduna.

"Contribution" shall mean any original work of authorship, including any modifications or additions to an existing work, that is intentionally submitted by You to Aduna for inclusion in, or documentation of, any of the products owned or managed by Aduna (the "Work"). For the purposes of this definition, "submitted" means any form of electronic, verbal, or written communication sent to Aduna or its representatives, including but not limited to communication on electronic mailing lists, source code control systems, and issue tracking systems that are managed by, or on behalf of, Aduna for the purpose of discussing and improving the Work, but excluding communication that is conspicuously marked or otherwise designated in writing by You as "Not a Contribution."

2. Grant of Copyright License. Subject to the terms and conditions of this Agreement, You hereby grant to Aduna and to recipients of software distributed by Aduna a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable copyright license to reproduce, prepare derivative

works of, publicly display, publicly perform, sublicense, and distribute Your Contributions and such derivative works.

3. Grant of Patent License. Subject to the terms and conditions of this Agreement, You hereby grant to Aduna and to recipients of software distributed by Aduna a perpetual, worldwide, non-exclusive, no-charge, royalty-free, irrevocable (except as stated in this section) patent license to make, have made, use, offer to sell, sell, import, and otherwise transfer the Work, where such license applies only to those patent claims licensable by You that are necessarily infringed by Your Contribution(s) alone or by combination of Your Contribution(s) with the Work to which such Contribution(s) was submitted. If any entity institutes patent litigation against You or any other entity (including a cross-claim or counterclaim in a lawsuit) alleging that your Contribution, or the Work to which you have contributed, constitutes direct or contributory patent infringement, then any patent licenses granted to that entity under this Agreement for that Contribution or Work shall terminate as of the date such litigation is filed.
4. You represent that you are legally entitled to grant the above licenses. If your employer(s) has rights to intellectual property that you create that includes your Contributions, you represent that you have received permission to make Contributions on behalf of that employer, or that your employer has waived such rights for your Contributions to Aduna.
5. You represent that each of Your Contributions is Your original creation. You represent that Your Contribution submissions include complete details of any third-party license or other restriction (including, but not limited to, related patents and trademarks) of which you are personally aware and which are associated with any part of Your Contributions.
6. You are not expected to provide support for Your Contributions, except to the extent You desire to provide support. You may provide support for free, for a fee, or not at all. Unless required by applicable law or agreed to in writing, You provide Your Contributions on an "AS IS" BASIS, WITHOUT WARRANTIES OR CONDITIONS OF ANY KIND, either express or implied, including, without limitation, any warranties or conditions of TITLE, NON-INFRINGEMENT, MERCHANTABILITY, or FITNESS FOR A PARTICULAR PURPOSE.
7. You agree to notify Aduna of any facts or circumstances of which you become aware that would make the representations in this Agreement inaccurate in any respect.
