

# Powerdot Kile documentstructure test

Neil Sims

July 13, 2009

# Standard slide

- This is a standard slide outside a section
- And should appear in the Kile documentstructure

Standard slide

This section has a  
slide

Standard slide

This section has a  
slide

Standard slide  
short title  
A wide slide

**This section has a slide**

# Standard slide

This slide appears within a section

Standard slide

This section has a slide

Standard slide

short title

A wide slide

# Standard slide with a different title for table of contents

The full title appears in the kile documentstructure

Standard slide

This section has a slide

Standard slide

short title

A wide slide

## A wide slide

This wide slide appears in the Kile documentstructure

## A hidden wide section

## Another wide slide

This wide slide does not appear in the powerdot table of contents (`[toc=]` option) but still appears in the Kile documentstructure
