

SZSN Expansion To Increase Production By 60 Million KG

Shandong Zhouyuan Seed and Nursery Co., Ltd (SZSN)
\$0.28 UP 16.6%

SZSN's 45,000 square foot expansion and new advanced production line will increase annual production by 60 Million KG's of seed. This one is on the move again! Watch for news and get on SZSN first thing Monday!

without any kind of timing I'd say it's twice as fast.

Phrase: An apple a day keeps the doctor away.

So I place a bunch of pizza stuff on top of the dumpster.

It's easy to sit there and say you'd like to have more money.

Next the ladder does into the dumpster.

Just sitting there, rocking back and forth, wanting that money.

And a secret handshake.

Rather stupidly I acted first then looked up how to do it afterwards.

Sometimes I think you have to march right in and demand your rights, even if you don't know what your rights are, or who the person is you're talking to.

So I guess I helped a poor animal out.

without any kind of timing I'd say it's twice as fast.

And I can picture us attacking that world, because they'd never expect it.

So now I owe my store a ladder and broom.

Fact: A Phoenix dies in the act of giving birth.

In all truth these things are not all that shocking!

shake case upside down until it sounds like it's departed.

Fact: Cheese is the best food in the world.

Was it nothing more than a bunch of honking and yelling?

This is where I step in.

Their eyes go from left to right across the words making me think they have read it and then still use brute force to open the door.

Fortunately it's come a long way since then with current installers rivaling Windows in it's ease and hardware support.

Tidbit: Bad news travels faster than anything else in the universe.

Linux is now a valid alternative to Windows on stations that don't need to use engineering software or play games.

"It's better for girls to be single but not for boys.

That is to say hold in the urge to burst out laughing.

The next item was a pair of scissors, they were lying around and I thought: "hey.

Fact: In Cleveland, Ohio, it's illegal to catch mice without a hunting license.

Seuss pronounced "Seuss" such that it rhymed with "rejoice.

What if there was a survivor who heard one too many vote counts?

Having sexual relations with a male animal is punishable by death.

One of the interesting things about StarOffice is that it loads all the office components at startup.

Well the cell phone owner was offering a reward of course.

you can do what you want in your old age, you gradually get more youthful as time goes on, and then you can look forward to the "best years of your life" at school.

ool.

For instance, let's say you have chosen the nickname "Fly Head.

I mean, how many times do you need to summarize the vote count?

My first thought is finger-undoing the screws.

The store is empty so you think lunchtime.

I put the broom in and make my way back inside.

Fact: In Bahrain, a male doctor may legally examine a woman's genitals, but is prohibited from looking directly at them during the examination.

"Married people usually look happy to talk to other people.

Couldn't it also mean "having a head like a fly"?

Fact: Clans of long ago that wanted to get rid of their unwanted people without killing them use to burn their houses down - hence the expression "to get fired.

Next the ladder does into the dumpster.

The weird part is I can see people look at the sign.

How much is this and what does this taste like?

Why do I have to be so wrong!

I won't go over where linux's is from or it's history, there's so much out there talking about this, I'll just talk about what you need to know.

My first hurdle was to open the computer case.

Time for drastic measures!

How much is this and what does this taste like?

go on, do it right now.

Fact: It's illegal to slurp soup in New Jersey.

Fact: It's illegal to slurp soup in New Jersey.

This also goes to show you that cell phones are evil.

Sometimes I think you have to march right in and demand your rights, even if you don't know what your rights are, or who the person is you're talking to.

Why do I have to be so wrong!

Or that once entering store, it is a self serve.

To me, it's a good idea to always carry two sacks of something when you walk around.

Phrase: An apple a day keeps the doctor away.

Observation: People pursue money in an attempt to have some money, so that money isn't everything in their life.

Fact: Polar Bears are left-handed.

Fact: The flubber with the bouncing and the hurting and the burning and the mwoi senhimen is bad.

Maybe a step will work.

Fact: Nigerian Power supply always shuts of at the best bit in a movie.

Observation: Hole and Whole are almost completely opposite with only one letter different!

What if that survivor was me?

The heads picture weighs more, so it ends up on the bottom.

I know it's annoying peeling the orange, but come on man!

If you go flying back through time and you see somebody else flying forward into the future, it's probably best to avoid eye contact.

without any kind of timing I'd say it's twice as fast.

Well it might as well have said that, it actually read "Note this doesn't work for ReiserFS, there is presently no way to retrieve data from this filesystem".

Just sitting there, rocking back and forth, wanting that money.

Fact: A Phoenix dies in the act of giving birth.

Its fur is not white, but actually clear.

Guess one of our customers thought we had throw out a perfectly good ladder and broom so he snatched it for himself.

Maybe a step will work.

It also acts as a drawing package, which is a rather neat idea as really that's what it is!

they're kinda pointy, screws a kind of groovy, maybe point and groove can unite in some glorious case opening dance".

Basically, it's made up of two separate words "mank" and "ind.

How much is this and what does this taste like?

Fact: Donald Duck comics were banned in Finland because he doesn't wear pants.

I guess that's like a regular window.

Observation: A lot of what you learn in university has nothing to do with your programme.

I'm afraid some people might actually think that.

Fact: Nigerian Power supply always shuts off at the best bit in a movie.

Fact: The penalty for masturbation in Indonesia is decapitation.

If you're a cowboy and you're dragging a guy behind your horse, I bet it would really make you mad if you looked back and the guy was reading a magazine.

Tidbit: Don't use Bloody-Stupid-Johnston for your landscaping.

Fact: Cheese is the best food in the world.

And when most people have a hard time opening a door they have a natural habit of looking oddly at the handle.

It offers a wizard that gives you very similar pre-canned presentation slides, or the ability to lay down your own format for slides, or even do each slide an independent way.

" International reaction to Bush's Axis of Evil declaration was swift, as within minutes, France surrendered.

For a visual clue put the text EXIT ONLY in as large a font as to fill your monitor, then print it out, that big!

You should really try it.

Seeing people hard at work ripping open the exit door, while right beside them a little old lady walk freely in the other door.

Tidbit: You are taller with shoes on.

What I didn't know is the next time that I opened Opera it would ask me if I wanted to resume previously unfinished sessions!

" is the shortest complete sentence in the English language.

Fact: Women blink nearly twice as much as men.

go on, do it right now.

I picked it up, and started wondering who this person was, and why he had deer horns.

Fact: Neutering a cat extends its life span by two or three years.

they're kinda pointy, screws a kind of groovy, maybe point and groove can unite in some glorious case opening dance".

Of course he has bad news for me.

Suggestion: An apple thrown at the doctor would work as well.

Fact: A rhinoceros' horn is made of compacted hair.

Do I have a Reiser filesystem?

Fact: Australia is the world's biggest island.

Again we have to pay people to be the voice of reason.

Fact: In Bahrain, a male doctor may legally examine a woman's genitals, but is prohibited from looking directly at them during the examination.

Maybe the dam thing is hungry?

Fact: In Cali, Columbia, a woman may only have sex with her husband, and the first time this happens, her mother must be in the room to witness the act.

Observation: The person who had recorded this was getting really sick of standing in the yard with a stop watch.

But it's more the frequency that it happens at.

Oh your angry that Tilley has not written anything for Bizwarcho in a long time.

they're kinda pointy, screws a kind of groovy, maybe point and groove can unite in some glorious case opening dance".

If you ever reach total enlightenment while you're drinking a beer, I bet it makes beer shoot out your nose.

After weeks of needling, he snapped and beat her repeatedly with an axe leaving her mentally retarded.

StarOffice is modelled off of MS Office, giving you a lot of similar functionality

ty and approximations to aid you in learning the new programme.

Now the racoon is on easy street.

A recent problem we have found is telling people the truth.

Fact: Colour has a U in it, Doughnut has an awful lot more letters than you'd imagine, programme involves me and labour is about ourselves.

after all they've all basically looked the same over the years.

I can only guess that pointing out ones ignorance creates anger.

Fact: Colour has a U in it, Doughnut has an awful lot more letters than you'd imagine, programme involves me and labour is about ourselves.

shake case upside down until it sounds like it's departed.

Fact: Sugar sweetens things.

Disclaimer: This article is an opinion of Tilley and does not necessarily represent the opinions of Bizwarcho.

" declared North Korean leader Kim Jong-il.

not bland, not over the top, not looking like an after-thought.

It belongs to you while it is in your possession.

Now that's a documentary.

then seeing them point to the cooler and ask for the brand that is not our companies or where they are pointing.

Fact: Typewriter is the longest word in the English language that can be made using the letters on only one row of the keyboard.

Fact: A rhinoceros' horn is made of compacted hair.

Make your own reality show about the camera crew and the rest of the production crew.

It offers a wizard that gives you very similar pre-canned presentation slides, or the ability to lay down your own format for slides, or even do each slide an independent way.

Fact: Zerglings are good to start with but are quickly shredded by bunkers.

So I wander outside and take a look, ah yes two racoons.

It's native save format is based on a compressed XML storage format.

Like if you like sports, she should like it that you like sports, and she should keep the chips and dip coming.

Fact: Light moves slowly in discworld because of the magical fields.

So I place a bunch of pizza stuff on top of the dumpster.

But its more the frequency that it happens at.

Granted a left hand panel isn't new, but this one actually looks like its is designed to be there, it's coloured, it has icons on it, its.

Fact: Zerglings are good to start with but are quickly shredded by bunkers.

What if that survivor was me?

StarOffice is modelled off of MS Office, giving you a lot of similar functionality and approximations to aid you in learning the new programme.

For many this will spell the end of a potential Linux affair, but maybe not forever.

Rather than every page being in a new browser window, and each browser window taking up space on your task bar, multiple documents get opened in tabs.

Fact: The word for poison in German is gift.

I'd like to see a nature film where an eagle swoops down and pulls a fish out of a lake, and then maybe he's flying along, low to the ground, and the fish pulls a worm out of the ground.

This is where I step in.

Fact: The word "lethologica" describes the state of not being able to remember the word you want.

Suggestion: The greenest grass is captured in the mind.

And when most people have a hard time opening a door they have a natural habit of looking oddly at the handle.

when you need some cold beer.

With signage all over the place, and lots of truck painted with our companies logos.

Fact: A Phoenix dies in the act of giving birth.

"Both don't want no more kids.

Next it's dandy lions for colour, and poplars for rustling leaves.
"On the first date, they just tell each other lies, and that usually gets them interested enough to go for a second date.
Quick thinking leads me to believe that putting our broom in the dumpster on an angle will give them an easy climb out.
Here they will find a large sign that says EXIT ONLY.
Well I'm back, and ready to fill the void that has been left.
The weird part is that now there is only one racoon.
Tidbit: A sick dragon can sneeze itself into oblivion.
I hope that after I die, people will say of me: "That guy sure owed me a lot of money.
drop screw into hard to reach area.
not bland, not over the top, not looking like an after-thought.
Tidbit: Ocras are a vegetable and makes a good soup.
Phrase: An apple a day keeps the doctor away.
The husband's lover, on the other hand, may be killed in any manner desired.
Observation: A lot of what you learn in university has nothing to do with your programme.
The ability of the spoon to open the case is of concern to me for two reasons.
Concentrate all your efforts on getting rescued.
Tidbit: Luge lessons are typical in summer.
Sometimes it seemed that way.
They have some instinct to leave when they feel hard labour is near!
Fact: In Bahrain, a male doctor may legally examine a woman's genitals, but is prohibited from looking directly at them during the examination.
I can picture in my mind a world without war, a world without hate.
Couldn't it also mean "having a head like a fly"?
now this is a browser, there are so many great things but more on those later.
Fact: In Lebanon, men are legally allowed to have sex with animals, but the animals must be female.
I'll save you the effort of wading through this document and say this: download it and try it.
Fact: Vikings used the skulls of their enemies as drinking vessels.
Fact: Starfish don't have brains.
ie in the bloody fruit, not a tablet!
Fact: The word for poison in German is gift.
Increase in paranoia.
I tell my fellow employee about the ladder and racoon and head home with a wonderful sense of well being.
They have some instinct to leave when they feel hard labour is near!
a running furnace burns calories.
Couldn't it also mean "having a head like a fly"?
Fact: Cheese is the best food in the world.
without any kind of timing I'd say it's twice as fast.
What if there was a survivor who heard one too many vote counts?
Are these people idiots?
If you go flying back through time and you see somebody else flying forward into the future, it's probably best to avoid eye contact.
"Both don't want no more kids.
Officials from Paraguay, Uruguay, and Chadguay denied the charges.
Fact: The longest recorded flight of a chicken is thirteen seconds.
Surprised, the man in front turned and snarled, "Just what the hell are you doing?"
I hooked up another harddrive, booted into rescue mode, mounted the first harddrive, ran debugfs and got an error.
This is what I would do.
I've also collected all the spoons in the office and welded a nut on the flat end so they'll be unable to aid future computer breakers.
Linux is now a valid alternative to Windows on stations that don't need to use engineering software or play games.

Suggestion: To get ahead in a fight, scream "I'm a hemopheliac" and as your opponent looks on in disgust kick him where it counts.

Fact: If you keep a goldfish in a dark room it'll eventually turn white.

How do you know where a black hole is?

" What do these words mean?

Now IE isn't great, and as it is part of the underlying OS when it goes down it often takes the rest of ship with it, but Netscape was guaranteed to crash every time you used it.

It's a good layout, and it's well integrated.

Like if you like sports, she should like it that you like sports, and she should keep the chips and dip coming.

The guy looks out it, and if he leans too far, he falls out.

Tidbit: Grass is a weed that the wild man hath tamed.

The presentation and drawing package is great.

And I can picture us attacking that world, because they'd never expect it.

Fact: Stewardessess is the longest word in the English language typed with only the left hand.

Broken promises don't upset me.

I swear there is a huge neon sign somewhere that advertises my store once I hit start on the microwave.

Suggestion: Don't consume them in that order though, beer tastes terrible after coke.

Well the cell phone owner was offering a reward of course.

Just sitting there, rocking back and forth, wanting that money.

This also applies to undertakers; the sex organs of the deceased must be covered with a brick or a piece of wood at all times.

Consider the daffodil.

it was sitting right there on our desktops from the beginning!

The next item was a pair of scissors, they were lying around and I thought: "hey.

Fact: A Phoenix dies in the act of giving birth.

Tidbit: Don't use Bloody-Stupid-Johnston for your landscaping.

Tidbit: Luge lessons are typical in summer.

The host has the same mundane voice and he even repeats the same words!

"Everybody knows we're the best evils?

On one side you had MS Office, offering good functionality, but occasional quirks in large documents, and at a fairly hefty price.

Fact: Breakfast is the most important meal of the day.

After hell in traffic my well being is gone.

" declared North Korean leader Kim Jong-il.
